

We're making children more successful by providing educational workbooks based on the research of educational experts!

To Parents, Caregivers, and Educators:

Today, more than ever, students need to be equipped with the essential skills they need for school achievement and for success on proficiency tests. The ***Spectrum*** series has been designed to prepare students with these skills and to enhance student achievement. Developed by experts in the field of education, each title in the ***Spectrum*** workbook series offers grade-appropriate instruction and reinforcement in an effective sequence for learning success. Perfect for use in classrooms and at home, ***Spectrum*** is the learning partner students need for achievement.

For students, *Spectrum Phonics* offers these exceptional features:

- Age-appropriate activities in vocabulary knowledge and reading comprehension.
- Practice in skills and topics that encourage creativity and build confidence by making reading fun.
- Tools for achieving reading fluency.
- Fun and varied illustrations.
- A complete answer key.

For parents, *Spectrum Phonics* offers:

- Systematic phonics instruction and reinforcement.
- Practice in concepts that support federal literacy initiatives.
- Easy-to-understand directions.

Best of all, the workbooks in the ***Spectrum*** series are classroom-tested and are aligned to state and national content standards.
